“ Julie, Ron, Martha, Bobby and Family,

*I always looked up to Joyce. She inspired me to become the best secretary I could ever be. She was always so smart and I aspired to be like her. She was always kind and thoughtful to me as a child. Every time I met with her and talked to her, I thought she was very special.*

*I pray you all feel the love of Christ around you during this time of grief.*

*I love all of you and am very sorry for your loss.*
