“ As I remember my wonderful Aunt Joyce, I think of fun times. I used to stay with Joyce and Bob in the summer when I was growing up and lived with them when I attended Furman. We would go camping with Granny & Papa Morgan and ride the motorcycles to Cherokee - just to go to the fudge shop. No matter what we were doing, Joyce always made me feel loved and special, and we always had FUN. I love you and will miss you, Aunt Joyce !!!

“ Joyce, I will miss you so much we shared many good talks, memories, and the camping trips we took to your little camper was so special to me. Some of the trips we all took to our Rallies and especially to Myrtle Beach, and Charleston. I can't believe I will never be able to call you up and us chat for an hour or more. But I know you are in a better place, out of pain and suffering and you are with your Robert. God bless your family in this difficult time.

“*My beautiful Aunt Joyce, thank you for all the memories that we've shared together. I am so sad to know I will never see that smile again. We loved you so much and enjoyed all the times we spent together. I am so appreciative for all the times you went out of your way to be there for me to help celebrate moments in my life when my grandparents could not be there. I find solace in knowing you are in Heaven and this isn't goodbye. I am praying that everyone else also finds comfort in that. We will love you always.*
