“ *I know you are finally healed, Judy. I just can't imagine you not being around. No one was a more loyal person than you. We had so many wonderful times at softball events, school things or just hanging at the Texaco talking about anything and everything. You were a wonderful mother, mimi and friend. I will forever cherish having had you in my life. Extra prayers for all the family. Jennifer, she loved you soooo much!! I always enjoyed the times we had together. Rest easy, Judy!! We need you to watch over us all now. Sending love! ❤️❤️*

“ *Judy and I were best friends after high school. We went every where together. We kind of drifted apart and after all these years with the help of FB we reconnected. I wish while we were in better health we could have gotten together and talked about old times. We had a lot of them .Well Judy my dear friend I will see you in heaven. I know your family will miss you terribly. You have beautiful grandchildren and daughters. God bless .*

“ *Judy was my cousin we grew up together. They was so many special memories I can't put them all down. Judy had a little chicken and even time we would walk home from school I had to go to the other side of the road because the little chicken didn't like anyone to walk with Judy. She will always be with me.*
