“ Dear Johnnie Gail and all Family and Friends, we are praying for you all. Judy touched so many lives. There are not enough words to express how much Judy is loved. She is no longer suffering but is with Jesus, walking on Streets of Gold, and in a New, Perfect body. Judy always had such a warm smile and loved everyone. She was always concerned with other people. Judy was an exemplary wife, mother, grandmother, cousin and friend. There are not enough words to convey how much her community loved her. She always had a positive outlook on life. She missed being able to go to church, to go to family events, and other aspects of life. Judy was a very giving and living individual. I am so thankful to have had her in my life. May God provide your each and every need including grace, peace, comfort, love and discernment. Cherish all of the memories and times spent with her. Judy was a delight to spend time with just talking and sharing. She was such a gracious Southern Lady. If there is someone, either a Friend or Family Member, who is not saved, may this be the time that someone will repent of their sins and accepts Jesus as their Lord and Savior. Remember the special times shared with Judy. You are all in our thoughts and prayers.

Love and prayers,

Tonya Sabrina Mitchell and Brian Lee Pace

(Daughter of the Late Rev. George J. Mitchell and Ruth Ellen Bates Mitchell, Niece of Charles Kenneth Ward and Betty Jean Bates Ward)

“ On October 8th, 2021 , I lost my long time best friend. Our friendship began in our early childhood years and continued to grow until the Lord took her home. We shared many memories at Carolina High School and reminisced often about the good ole days. Our friendship continued to grow throughout the years as we each began our own families. Our children were born close together and we enjoyed watching them play and grow up into adulthood and then blessing us both with grandchildren. We have shared many precious memories throughout the years! Judy was a precious mother to her children and a devoted wife to her husband! Now you are in Heaven healed and in no more pain. I miss you dearly and I know I will be joining you one day!
