“ Tony and Family,

My family and I are praying for you. We are so sorry for your loss. There is nothing that anyone can say, other than; Thank You Lord for sending your son to save us, so that we can live an eternal life with you and him in heaven. You and I share the blessing of being so close to the 3 "newest members" of our God's heavenly kingdom. One of our (yours and mine) friends told me after my Dad's service yesterday that "we need to dig deep to be strong and shine bright for him." I think that this advice is perfect at this time. We all love you, and share this time of grievance with you.
