“ Growing up with you & knowing the kind of life you lived & choices you made makes this so hard. But, today on your birthday I'll forever remember you as more than just a big cousin, but more of a big brother. I love you & I'll forever remember you. You were always the Batman to my Robin. Because of you I got into sports such as baseball, basketball & football. I'm sorry to see you go, but I'm glad to see you finally rest in peace & not be in pain. You leave behind two beautiful little boys, that I hope will never forget you as their father.

With all my love,  
Ryan Durham

“ *My name is Ms. Hopkins and I taught Justin. He was an awesome student for me. Justin was one of those kids that made everyone smile around him with his quick wit comments. I was blessed and honored to be a part of Justin’s life. My heart goes out to his family.*
