PS

We are so sorry for your loss, we had the opportunity to speak with Gene on one of his visits just to talk to his customers. He was in the office and wanted to speak to my boss at Bailey and Son Engineering, Inc. Gene did painting at our business and he was so talkative on his last visit when he stopped in, he said he was out visiting all of his customers and wanted to talk to them personally. I'm sure this was his way of saying his own personal good-byes, we knew he was in pain that day but he said he needed to just be outdoors. I told him I was praying for him then and we will continue to lift you up in prayers in the days ahead. What a wonderful person and I know your memories will bring you comfort! God Bless you all - Patty Sanders & Bailey and Son Engineering, Inc.

“ Sorry to here that such a great man is gone . He was taken from us way to soon. We shall all miss him and long to hear his voice. But he is all well now. He has no troubles nor any pains. The Lord Jesus has taken his hand and lead him thru those pearly gate. May we all be so sure that we shall go thru those pearly gates as well. Love and peace to us all.
