“ What precious memories I have of being in the home of Aunt Kathy and Uncle Paul after marrying my Tim and becoming part of this great family! We always felt Aunt Kathy's love and her concern about whatever was happening in our lives! I'm saddened by our loss!! However, I know she prepared for this day and is now rejoicing in Heaven! Looking forward to the day when we can have another family reunion...forever...in Heaven!

“ *Kathy is my oldest sister. Losing her seems so unbelievable. My heart is hurting. She was my not only my sister but also my friend. She prayed for our family and showed she cared for my children. Such a caring auntie to my kids and their little people. There is a vacant spot in my heart. No more calls or messages. But Heaven is getting sweeter. I must make it! Goodnight, Kathy ; I will see you in the morning. I love you! To you I was "Susie"*
