“ *Kathleen, she is my cousin our mothers were sisters. When I was a child & realized this ..I couldn't believe how beautiful she was & her sister Dolores. I was taken in by their beauty
Wasn't able to spend time with her & get to know her..later, as I did get to spend some time with her on different occasions. I saw that her beauty was not just on the outside..loved being able to visit with her..she was knowledgeable & truthful..Im thankful that I got to know this beautiful lady.(my cousin.)will always cherish this time. RIP beautiful Kathleen*

“ Kathleen, what a sweet friend. I met her in Traveler's Rest, many years ago. Since moving to Kentucky, Kathleen and I would talk weekly over the telephone. We laughed like little girls. I miss her. I thank God for the friendship we shared. She loved her children, grandchildren and her great grandchildren so much. To all of her family, you are in my prayers. May God provide peace and comfort during this difficult time.

“ Charles and Donna Styles will always cherish our family meals at the Whistle Stop Restaurant. We kept in touch by the phone and close visits. She cheered us because she had a positive outlook on life. Since Kathleen enjoyed humorous family stories, she would laugh so hard until she would have to wipe her tears of happiness. Her presence would always brighten our days. Kathleen will be remembered for her famous deviled - eggs at every family party. We would laugh and tease her and say if you did not bring your eggs, you need to go home and make some and come back with the deviled -eggs. We love and we will miss you. With love, Charles and Donna.

“ My Aunt Kathleen is very special. We liked to talk about animals and current events. She gave me a beautiful horse plate. This plate helped me remember her love for animals. I have started a collection of horse plates. The plate she gave me is the most special because it was from Aunt Kathleen. I will miss my wonderful Aunt and our conversations. I am glad that Heaven has a new angel! I love you! Stephanie Styles
