“ Kathleen was a wonderful mother and grandmother. She was always willing to give and share of anything she had. A wonderful cook and friend and neighbor. Always friendly and smiling. Always willing to help in any situation. She will be missed. Polly you and your family have certainly done your part in caring for her over the last few years and went above and beyond just as she would have done for you. We loved her.

“ My prayers are with “Nanny’s” entire family. Nanny was a wonderful God fearing woman that loved her family unconditionally and never ceased praying for them. May we all learn to be more like her. She put God first, family second, and the rest fell into place. No one ever went hungry when they were at Nanny’s house, back when she was still able to cook. I’m sure you all have been missing her cooking but Polly has taken up where she left off. Polly, there will be a big crown waiting for you in heaven. You are the same kind of saintly woman that your mom was. May all of Nanny’s children, grandchildren, great grandchildren, and great great grandchildren strive to live like she would have wanted you to, like she lived. That is the best gift you could ever give her. She will be missed by her family, her friends, her church, and her community. Praise the Lord she is with her Heavenly Father and her Wendell. She is happy and she would want us to be happy for her. She was loved by many and will be forever remembered for all she did for so many.
