So sorry to hear about Aunt Kat. I have a lot of special memories of her. I don't think I ever remember her raising her voice to us. And we needed it a lot of times. I will always remember her sweet smile and gentle smile

“ So many happy memories of the Sanders family get together when all we cousins were growing up. Those girls got a Sunday dinner or birthday celebration going at the drop of a hat. Tables were set up in the shade and laden with food and ice was chipped to feed several churns of homemade icecream. Grandma Sanders loved her family and relished having them in her home and under her feet. I have special memories of Aunt Kat as we called her. Some of her expressions made me laugh today as I recall them. Leigh and Linda and grandchildren, you have a rich family History. I know you will always treasure them.
