“ Kayla & my daughter (nylah) were the best of friends as well as we were! She had a great personality & was a great person to be around! She had so much love to give & loved my kids as if they were hers! My kids and I send our condolences to the family and may God bless you all! Thank you for blessing us with such a great friend that brought us so much joy and would give the shirt off of her back for anyone! I miss you so much not a day goes by that we don't think about you! You will forever be in our hearts! Our lives will never be the same now that you're gone! Save me a spot my beautiful Queen and keep smiling down on us!

Our hearts are breaking along with your hearts. We have been praying for all of you since we received the news about Kayla. Through your tears, can't you just imagine Kayla entering heaven and saying "I've just seen Jesus and I can tell you He is alive. I've just seen Jesus and I'll never be the same again!"
