“ I remember Ken as a small boy riding a mini motor bike. He and Jeff had so much fun and a joy to watch. Best Regards to the family from an old friend from Renfrew.

“ Ken was a kind man with a huge heart and a humorous spirit. I loved to hear him laugh when he was really tickled about something. It was a contagious laugh. He will be missed and it just doesn't seem real he is gone. My thoughts are with anyone who knew and loved him.

“ To Ken's family,
I am so sorry for your loss, my thoughts and prayers are with each one of you today and in the days ahead. I was so lucky to have spent many nights with Kelly growing up and having Ken pick at me non-stop. These and other memories will be treasured. He will surely be missed but he is completely healed and we will meet again.

*Dear Ken,
You were such a sweetheart of a man.....you were such a hard worker,
a humble man....you showed me your humility, the night you knelt on
the friends and family stage for prayer....
God heard our prayers, we prayed for healing, well my brother now you
are totally healed, walking on streets of gold....
You'll find my mother there, she'll be out in the garden, gardening for
Jesus, cause that's what she loved to do....*

*Thank you for being so kind to me, and making me my chicken livers,
yours were the best.....love you my friend,
my brother in Christ, tonight I'll light a candle on my kitchen table with
you in mind.....your sis, Linda Patel...❤️🕊️❤�*

*Sweet friend, I came to TR not knowing many people. Charlie brought
me down to your restaraunt for dinner. You were such a gentleman and
we became friends instantly. When you shared that you were sick I
knew immediately how scared you were. I believe in the power of God
and his healing hands. I gave you my cross necklace to comfort
you....you cried and hugged me....we cried together. I prayed and
worried for you but God needed you to come home. I know now that
you are in peace, no pain, no heartache, no more worries...
You will be missed my friend but I will see you again in heaven. RIP
KEN💔🌹😭*
