“ *Even though is not my actyal blood I have alway considered him my papa. I remember growing up always spending weekend at his house. He used to come over to visit and bring me and brother tootsie rolls. If I scratched his head he would give a dollar. I love him and so badly miss him. Until we meet again.*

“ *my Papa was a great caring and loving person. When we were home sick from school he would always bring us a brown bag of tootsie rolls and a 1 liter of orange soda. He said babies needed sugar to feel better.*
