“ Jo, Brad, Heather, family and friends. You know what a caring and loving person Kim was. She loved, even family that wasn't hers. She gave ALL to her family and what friends she was allowed to have. Its not my place to judge. You cant run from the maker himself. Brad I am especially proud of you. You gave your mom Glory. Most moms don't normally live to see a glorious change in their children. No one can take that away. She loved from the heart when allowed to. God's got you now, love freely. Kim loved watching humming birds She once said "I would love to feel that freedom". Baby you have it now, enjoy flying high cause freedoms just another word for nothing left to lose. No more pain, hearbreak and suffering. Ill love you till my days are done! I'm smiling now at our secret code words and silent conversations that were never picked up on. Except by Roberta, nothing gets by him. He understood why, without me saying a word. Thats love and trust, you'll be at peace for once! I forgive you for not stopping with the smoking. Aint no cigarettes in heaven. Keep a watch on me and my temper. God still works on me daily. Ive missed your laughter for years. Wait by the gate, enjoy your peace. I'm there. Its taken many days to write this and i still feel lost. So many good days and memories. Everytime I hear a large truck start up, I'm gonna be smiling. Our love for you and your family will remain forever forever more. "KAT" is the hardest hit. You were ONE of a kind with Kat. I know cookies and cake everyday. I had to tell him, I've never heard him react to anything. Except cussing a weedeater. Another positive effect and YOU did it. I've prayed my final prayer, youre with God now. Rock On Sweet Lady. Youve got this!
