“ Sending the parents, grandparents, aunts, uncles and cousins especially my deepest condolences and prayers of comfort. I am truly sorry to hear this. My heart breaks for all of you. I lost my daughter in 2014...so sorry to hear about your precious son. No one can imagine such an incredible loss and each child is so special and an individual and I am so sorry you're having to endure this. Please Lord be so close to these parents and grandparents and family/loved ones that they still feel your warmth and grace and love through this dark and difficult time. Sending love and prayers of peace and comfort to you all. He is a beautiful angel forever and always. Godspeed..💔💔
