“ *Chief was a humble giant. He loved his country and I can remember he always sang God Bless America. He was such an interesting man to listen to. Not many people could walk a mile in his shoes. He was proud of his heritage, of his family and I never remember anything but a smile on his face. Joe, Kim I pray that you are in peace. For the children as well. He was so proud of all his family. He is no longer in pain.

“ Dear Jones family and Jo Davis

Larry, (Big Chief) has now come to his final resting place with the Lumbee Tribe.

Wonderful heartfilled memories come to mind viewing the photos in the past. I first met Larry when he was a salesman in 1983, he walked into my office in a nicely dressed suit and when I scanned him over, he had on fancy leather boots to boot! Oh my, just when I had seen it all, of course, his personality won me over and I was his new customer. I had just moved to the South and this whole experience with seeing his boots just amazed me.

And, of course, the local VFW 10058 in Travelers Rest I saw those boots again, this time he was volunteering his time for the needs of others. God Bless You Chief, I will always remember you in my heart.

“ Dear Jones family and friends,

I am so sorry to hear Big Chief has passed away. I first met your dear Daddy when he sold me a hauling trailer. He had such a beautiful personality and beautiful smile. His love for life was perpetual. You are in my thoughts and prayers.
