I Love you Dad. Thank you for being my Daddy! Thank You Dad for visiting me at every major duty station I served at in the U. S Navy! Thank you Dad for representing the family at my marriage and wedding in California. So Sorry in the Last years that we were separated by differences between family members when my Family and I moved to Utah. Many Memories Dad! In your Passing you reunited the Family! I know now that you are whole, and on the other side of the Veil or in heaven. The evening you past here in the Desert, in a drought, it rained specifically where I live and the immediate surrounding area. It was odd in the summer, in a drought, in the Desert; it was a blessing from you Dad! A reminder Miracles still happen! Love Dad, Thanks for Everything, Rest In Peace Dad!!!
