“ *To the family of Mr. Swartz:  
I did not know Mr. Swartz but came to respect his competence at a meeting of the MRM HOA several years ago now. Mr. Swartz, I think, had just become a member and had acquired a property in the association. He recognized the discrepancy between lower income and higher expenses and had suggestions as how to improve revenue over expenses and stay ahead of debt in running the association. While my wife and I are only neighbors, we happened to be at that meeting (we usually aren't) and I thought it wise of Mr. Swartz to bring this inevitable problem to the attention of the group.  
I believe Mr. Swartz functioned as the treasurer thereafter and kept the organization in “the black,” though, as mentioned, Mrs. Brooker and I are only neighbors.  
Condolences to the family.*

“ *Our sincere condolences to the Swartz family. I knew Larry through business, but also considered him a personal friend. I had total confidence in his professional advice and his complete confidentiality. Larry lived his faith every day and was an inspiration to all who knew him. He is missed already.

“ Jeanene.... You and your family are in my thoughts and prayers. Larry and I worked together at George Shinn & Associates in Charlotte and he had been my tax advisor and Christian Friend since that time. Larry used every opportunity to witness for the Lord. I found him to always be a Christian Businessman and a true friend. He will be missed. Let me know if I can be of help.

“ Jeanene and family, may the grace of our Lord be with you in this time of sorrow.  
Larry was light and salt in an otherwise dark world. I will miss the emails and mostly his generous heart for others. He was one of the most selfless kind men I have ever known, a true servant for God.

“ Larry was an instrument used to carry the word of our Lord and Savior Jesus Christ. We were partners together under the banner "Rogma/Christian Discipleship International". We the students and Partners CDI in Liberia, West Africa express our deepest sympathy to the family but, we are also happy that he served and died in the Lord. We believe that he is presently with the Jesus. May God continue to bless His family and the family of Rogma/CDI Amen?
