They say time will heal i can tell you that it can get easier but there are times when you think that you just can't go on. Just remember that there is one person who can help you just let the lord lead the way he has been my peace within and without him i don't know how i could have made it. I love you and if there is anything i can do please let me know, my prayers are with you and your family###imported-begin##Annette Bright###imported-end##

“ My memory of Larry spans over 50 years, starting in the third grade at West Gantt School. I had seen Larry few times over the years after high school, but he was in my thoughts many many times, all of which were good. He will be terribly missed. My prayers are with Bonnie and his extended family. May the God of grace comfort each of you with His love. His strength is sufficient.

“ Donna,

We are sorry. Please remember him as a large and healthy man, not as the typical elderly. He spared himself, if not you, that memory.
