“ Praying Gods peace and comfort during this time...for Jean a glorious home going,, but for the family and friends it is hard to let go!!!!

I went to high school with Jean and She was a beautiful person inside and out. She was always kind and had that big beautiful smile!! A great friend!!!!

Same was true ever time I saw her in later years... her illness robbed her of so many things..but...her wonderful loving family was a good testament of the life she and Daryl provided for their children and the love they had for each other... the eternal love...through sickness and health....the love was always evident. Pray God's blessings on all of the family...and Daryl especially in the days ahead!!!!!!

Continued prayers for all of this very Special famiky❤️❤️❤️❤️🙏🙏

“ I am truly sorry to hear of your loss Jean was the sweetest person I have ever met. I never saw her without a smile. I know her illness kept her from you but I also know you all have been dedicated to her care, she was blessed to have such a wonderful family to love her like a mother should be loved . I know she loved you all dearly, may God see you through this sad time in your lives. I love each of you and you will be in my prayers. Becky and the Presnell family.

“ One of my favorite memories of Mama is the lives of all the people she has touched, they could have taken a different road in life had she not influenced their lives, ... Mama was such an Amazing cook , when they would invite people over for dinner , they would be there, no questions asked ... Especially when she made her famous chocolate and vanilla cream puffs, we eat them as fast as she could make them .... I'm going to miss My Mama and there is going to be an emptiness in my heart but I know she is in a better place !!! ... I love you Mama , I will see you again one day !!!
