“ Herman and Bev,

This is rather an impersonal way to let you know that you and your family are in my heart, but it is one way to say I am sorry for your loss. I just heard about Mrs. Stroud at Tech a few minutes ago.

Spring is a hard time to let go of someone you love, as it brings so much beauty in a time of grief--but it also is a lovely time to celebrate 89 years of a life well lived.

Please accept my sympathy.

“ Herman, Beverly and family we are so sorry to hear of your great loss. Herman, your mother was a wonderful person. I had the opportunity of knowing her while occasionally working with her at J.P.Stevens. Her whole life was centered around her family; she loved you so much. Our thoughts and prayers are with each of you. She's in heaven now watching over you.###imported-begin##Sherry and Tommy Williams###imported-end##

“ We are sorry that your family has lost such a wonderful Mother and Friend. No doubt, Mr. Bill is delighted to see her again and, together once again, they have the priviledge to stand in the prescence of Jesus and offer their praises together. What a wonderful picture. It will be difficult, no doubt to continue on, but God will comfort and guide you all. "Be strong in the Lord, and in the power of His might,.. (Eph.6:10) in this you will find comfort and continue on in the legacy that Mrs. Stoud has built in the example of her own life. God bless you all.##imported-begin##Harold, Faye, & Tammy Cannon##imported-end##
