“ It is so hard to say what I feel right now. The world lost an angel who loved unconditionally. Thanks for loving me when at times I felt so unloveable. You were there for me in good times with your family and bad times when I felt I was falling apart. Your angel light will be felt every day by those of us who loved you dearly. I remember birthdays spent with you and the family, the good times we had going to Savannah and getting lost on the way home and ending up in Florida. But we succeeded and got home in the wee hours of the morning. I loved how you were always ready to go with me when I just wanted to explore north Ga and South Carolina. You were so proud of me when I got my car and had to give me directions to Anderson to where I had the car sent. Mom, go fly high with the angels and when you meet my mom and dad. Tell them I love them and all the good times we had and how I miss them so much. I will always think of you with that beautiful smile and happy laugh. Enjoy being in Heaven and we will join you when God calls us home.
Love your other daughter, Dianne Johnson
