“ Dennis this is Norman Poole.I am so sorry to find out of the passing of Linda. I did not know about it until just a few minutes ago.I am so sorry. You and Linda were like a second set of parents to me when I worked at the pharmacy for you. I guess she still gived you heck about time when you and I ran out of gas coming back from bookstore. Dennis if there is anything I can do for you call me at cell number 8645671377. You and Linda will always have a special place in my heart. God Bless You.

“ Dennis, Lesley and Cindy - I am so sorry to hear about Linda's passing. She was about 3 years younger than me but we grew up in the same neighborhood. She and her parents moved into the house that my parents and I moved out of when Daddy built our house across the hill on Elliott Street. Then when I married in '64 I lived in the rental house across from Vera & Lesley. Lesley was a good friend and fishing buddy of my Daddy's. So Linda and I go back a long way. The last time I saw her was at Silver Bay about 4 months after she was diagnosed with Alzheimer's, it was so sad to have her tell me that. She will be missed and I pray that God will bring comfort and strength to all of your family during this time and the days ahead.

“ Dear Dennis, Leslie, Cindy and family, my heart is broken when I heard that Linda had passed. She had called me just before we moved and Barney tried to get her to leave her number and she told him she would call me back. She never did. I know what all of you have gone through with Alzheimer's because my daddy had it. It is a terrible disease that affects everybody but members of the family are ones who suffer the most. Linda always made me feel special and we had a bond for many years. I have thought of her so often and always will remember the good times we had together. She was one of a kind and always made me laugh. When my dad died she immediately came to our house and I will always remember that. She was a caring person who loved her family dearly. She shared her love with so many people. Please know that I am so saddened by her death. May God grant you his mercies forever! My love to you. Lynn and Barney Harris

“Boss Man”, Lesley and Cindy, I don't know where to start. My heart is so heavy just thinking of Linda being gone. There will never be another one like her that is for sure. My years at Bakers Pharmacy will never be forgotten. My time there was awesome. Linda was a mess and would try anything. She was fearless, funny, witty, caring and selfless. She loved her grand babies and would do anything for them. When I saw her last my heart broke to see what this terrible disease had done to her. She did remember me though and knew if she could get to me I would help her with her problem and as she said "Fix It". Lesley and Cindy know how much your mama loved you and always had your best interest at heart even though it may not come across that way. "Boss Man" please know you are in my prayers and even though the years have separated us my memories at the drug store are in my heart and I will never forget you and Linda and all the things you both did for this single mama. I will see you again Linda and we will be able to talk about old times.
Love Jan
