“ I wish I could say I knew Linda but I only have childhood memories of a beautiful young woman that I would have loved to emulate. My father and her mother were siblings but time and location has kept us apart for more than 40 years. I am so sorry to hear of your passing.

“ To Linda's family: You have shown exemplary love and care for your sister/mother all through her illness. I was a nurses aide and caregiver for many years in nursing homes and assisted living homes. I was pressed how your family banded together and gave her first class

“ *Linda and I were close friends at Truth Missionary. The evening after she had the IV port put in to start chemo, I visited her at her house on Bull Rd. We were telling funny stories; reminiscing, joking and laughing "till it hurt" to tears together literally for hours! We had so much fun! We loved each other. I always felt that Linda and I were like two spunky sisters! Then I began visiting her mother Ruth regularly at Heartland West nursing home. I felt visits would comfort Ruth, Linda, and her family. Ruth always asked for prayer for all her children, and so we prayed often especially for ill Linda. Linda always gave me a big smile, just like her Mom! On Monday May 12, 2014, from 7:30-8:30, I held my weekly ladies Bible study. We sang hymns and prayed. I shared from Deuteronomy ch 8, how good the land will be in the "latter end" of our journey... how Heaven would be wonderful! Ruth always wanted to sing "God Be With You Till We Meet Again", so we sang that song at about 8:20pm. A few minutes later, over in Simpsonville, Linda passed on into Glory. Ruth will definitely meet Linda again! Me too.*
