“ I worked with Linda at the Easley Police Department. She was a wonderful lady and friend. I hate that our paths didn't cross after she left the Sheriff's Office. I will think of her often.

honoring my request ten fold! “Please spoil and love Natalie enough
for both of us!” 💕💕💕. Thank you for being such a wonderful

“ Linda and her sisters and brother were a big part of my teenage years. Her parents always treated us like their own kids. Linda was always smiling and friendly and even as an adult she was an example to us all. I will miss her. My prayers are with the family.

“ Linda has been an inspiration to all those who have watched her battle this past year. She fought her illness with courage, dignity and resolve. Struggling to take her next breath she would come to work, and offer world class customer service, never letting on to the public that she was serious ill. Linda is frequently, including this week, commended by customers for excellent service. Linda brought an infectious smile, and positive attitude to our team that will be missed every day. We were blessed to have had Linda as part of our work family for so many years. We will miss her very much.

May God comfort you David, Gina and the rest of the family.
