“ Lisa was such a beautiful sweet soul. She sat in front of us at The Crossing Church and always greeted me with a smile and a hug. We didn't realize it at first but found out later that we went to school together. She was a couple of grades behind me but I knew who she was. I'll miss her beautiful smile and hug. I'll miss her talking with me and making my day brighter. I know she is home and I'll see her again but she will be very missed. I love my sister in Christ and that chair will be so empty without her in it. It was my pleasure and my honor to have known her. Our Father is holding that precious girl in His arms!

“ Always remember her at work singing and dancing while washing the dogs. She has such a great smile and always balls of fun to be around. She loved her job and her daughter she would always talk about her at work. Lisa you will be missed by so many. But will live in our hearts forever until we meet again keep all the doggies smelling fresh and clean up there.

“ Lisa was our neighbor and friend since we moved next door ten years ago. She loved us almost as much as she loved our dogs. We will never forget the times she fearlessly clipped our old wolf dog to protect him from the summer heat. A gentle loving soul now graces heaven. Our deepest sympathy to Francis and Alicia.
