“ I am so sorry to hear about Mrs Lois. I am pretty sure she was in Senior Action with my mother-in-law, Donal Mae Watts, who passed on April 17, 2021. Mrs Lois was one of the sweetest, kindest, souls I have ever met. I just saw this looking at my mother-in-law's information. Mrs Lois took my mother-in-law under her wing, when we had to move her here to Greenville SC from Conway SC after my father-in-law passed. I am truly sorry for your loss, but Heaven has a great ANGEL. Love and prayers going your way!

Love, Beth Watts

“ To the Pearson family, I'm so sorry for your loss but heaven got sweeter the day Lois went home. I have so many memories of going up to visit Lois when she lived farther up in Marietta. I would go sit with her and we talked about so many things and shared some of our personal memories of when we were younger. “Lois, wait for me by the river and we'll take up where we left off with those precious visits. I love you and I know you love me so I'll see you in a little while.”

“ I’m the oldest of six children that was raised by this wonderful woman. I loved her dearly. She taught me lessons I’ll never forget. She was a little woman but she was well respected by her children. I love you Mama and I always will and if my child can say I was half the woman you were I think I’ve done a pretty good job. Mama kiss my boys for me and tell them I’ll see them in a little while. Lord, take care of my Mama. I love her so much and I already miss her.
