“ Just a note to say how sorry we are for the sadness you are going through. We loved Lora very much. We can always reflect on the good times we had at the fence just shooting the breeze. Now 462 miles away and not being able to let you know in person how sad we are for you. “ Lee, I am so sorry of your loss. I have asked daily about Lora from the girls. She will be greatly missed. But we are all assured that she is no longer suffering. Heaven may never be the same with her sense humor. The humor and the person she is has brought so many people into your lives. She always remained positive during her battle with cancer. My thoughts and prayer are with you and the entire family.

“ Lee,

My deepest sympathy goes out to you and your family. My thoughts and prayers are with you. I know how you feel because of the loss of my fathers recently and I know that there is a big void in your heart but she will always be there. Please remember that she has a new body now and is no longer suffering and is looking down on you and your family and smiling with joy as she watches over you all. Take care and please call on me you in need anything. My family and I are on vacation this week and will return on July 5th.
