“ *I am so very sorry to hear about Mrs. Louise. She and my mom, Sammie shared a room at Brookstone. We will surely miss seeing her and her family when we visited. It was like she became a part of our family just in that short time. Please know that the girls and your family are in my thoughts and prayers during this time.*

Thank you so much Teresa. We really bonded with Sammie and immediately thought of her as family and "sister"! I plan to visit her next week because I know she too, is grieving. Thank you and your sisters for your love, support and concern for all of us
