“ To the Batson family,

We are saddened to hear of your mother's passing. I know you all have many wonderful memories of times growing up and after reaching adulthood too. Both your mom and your dad were fine people and admired my many.

I will always remember family times spent with you all, especially eating hamburgers and watching wrestling on Saturday nights.

Don't think we had a grill back then, probably just cooked the burgers on the stove. I really miss my mother's cooking, especially her biscuits and I know that you all miss Lucille's good cooking too.

We both are blessed with wonderful memories.

Know that you are in our thoughts and prayers,
