“ *All of the extended Jones family sends love & prayers for the entire Hudson family. Aunt Lula was a one of a kind soul and we all loved her dearly. She will be remembered with smiles and laughter because that's one of the things she always shared with us. That, and her love for the Lord.*

“Ronnie and Dale, Gary and I want you both to know, you have our deepest condolences on the passing of your Mom Ronnie. She was a babysitter for our youngest child, Shannon, and he loved being with her. He would get out of the car on his own when I took him there. We never left him anywhere that he, nor we, were uncomfortable with so of course I quit many jobs because we didn't let just anyone keep our children. We will be praying for you both

“Luka Hudson was one of the most Inspirational women in my life. She took care of all my 4 kids, and she did it gracefully and full of loving kindness. She taught me many Spiritual things that most people don't know and to this day, she is still honored by it in my Books researching Ancient History and Religion as I've dedicated many things to her in her honor over the years. Opal, please do call me. (864) 508-0782. Danielle talked to her on the phone 2-weeks ago. She still remembered us. We loved her so much and if it wasn't due to my health, we would have been visiting. I'm unable to drive and have not been able to for several years. We have missed Nani (Lula's name for the kids), and missed you all too. With sincere condolences, Kittie (Wallace) Dailey, Dani, James, Lisa and John Wallace.
