“ I am sorry that I could not be there for your family at this time. When everyone else goes home I will be there for you all. I love you like my baby sister and both your boys mean the world to me. Please tell all your aunts and uncles how much I loved you daddy and if I didn't need this time at the beach for my sanity I would have come back earlier to be with you. But at you request I stayed on. Send my love to everyone and my heart is with you. Your big sister, Diane.##imported-begin##Diane Hagan##imported-end##

“ Anna, Ronnie and family,

The world has lost a great man but Heaven gained one! As I look back on my childhood I have so many special memories of times at your house. Marvin was always smiling. I never saw him that he didn't come up and give me the biggest hug. Your Daddy loved you both so much and was so proud of you and his grandchildren. My thoughts and prayers are with you.
