“ It has been a little over a year mama and it seems like just yesterday you were here. I think of you every morning when I wake up and every night as I go to bed as I look at your wonderful picture by my bedside. Of course, i think of you throughout the day as well. I can only say I hope I am as good as a mother to my children as you were to me. I miss you, Gayle and nanny sooooo much. until we meet again someday. Love you, Kimber##imported-begin##Kim feltman##imported-end##
