“ *Aunt Margaret was one of a kind. I looked up to her and will cherish her memory forever. She loved me like I was one of her own. I am going to miss her dearly but, will always have the satisfaction of knowing she is in heaven rejoicing with my mother. They were always there for each other and still are today. My last conversation with her she told me she was tired and ready to go to heaven. I told her she couldn't go and leave me. Her response was that I better jump on the cart because she was going with or without me. I will meet you again on the other side of Jordan. Love to all my Blackstock family.*

“ I am so sorry for your loss! May God wrap his loving arms around each of you with his peace and comfort. I will miss visiting with this sweet, precious Saint of God. I remember one time when I was visiting and praying with Mrs. Blackstock, I prayed for God to give her many, many good days ahead. At the end of our prayer she looked up at me and said, "Honey, I don't mean to be rude but don't pray for me to have many more days on this earth. I'm ready to go home to be with the Lord. I want to go now". Of course, I answered with a yes mamn and I never prayed in that manner for her again. We had a lot of good prayers and sang many songs together over the years. She certainly made a very big impact upon my life. What a Godly Lady and I will forever miss her.
