“ *My thoughts and prayers go out to Margaret's family. I worked with
"Mrs. Gravely" as everyone called her for several years at Jonesville
Elementary in Colleton County. She was a wonderful person and so
dedicated to her job. I think of her often and cherish the memories
we had at our little country school.*###imported-begin##*Robin

“ To Pete, Skip, Amy and all of your Families, my heart reaches out to each and everyone of you. My prayer is that the Lord will just reach down, lift you all up and just love on you as He sees you thru this time. I know all of you have deeper memories than I, but I still remember Margaret's warm smile and the many good times and the laughter that we shared more times than one up at Papa and Granny's house when we all would be up there visiting. I treasure these times. God be with you all, and I love each and everyone of you. Love Aunt Margaret.##imported-begin##Margaret T. Gravely##imported-end##

“ Family,

I work with Frank at UPS. My thoughts & prayers are with you all. I remember a lot of good times of laughter, when Frank would tell stories of his mother. I never got the chance to meet her, but thought these stories, It feels like I have. GOD Bless you all as you get though these times.

“ *May our Lord grant you peace and comfort in this time of loss and may friends and family support and uplift each of you in the coming days. Since I first met Frank in 2000, I heard so much about "Mamma" and her cooking that I feel I knew her and I know how much she means to Frank and his family. I pray that the memory of her life give you reason to remember her and smile in the days to come.##imported-begin##Keith McNeel##imported-end##*
