“ So sorry to hear of the passing of your precious Mother. I loved her energy and sense of humor. I will never forget going to a sleepover at your house and how much fun your Mom and Dad were. It was a very special memory.

“*Margie and I became good friends and neighbor after Bill passed. She always kept me in magazines. I will truly miss seeing her standing in the door and waving to us. I kept her informed what was going on in Bridgeview and who was who. I got here to come to our HOA meeting in June and everyone was excited to see her out.*
