“ I first met Ms Marie while working at Springbrook. She didn't meet a stranger and was as precious and friendly as could be. After getting to know her i learned that she lived in Marietta and i was so shocked because i had passed her house atleast a million times and never knew her. I felt like i knew her my whole life and thats how she made folks feel. I kept telling myself i was going to stop by after she lost her daughter but i never took the time to do it. Huge regret! She was so dear to me and many others. Rest in peace Ms Marie . I'm so glad i met you and knew you. ❤️
