

Mariellen Fagan

April 5, 1961 - September 27, 2021

Mariellen Mining Fagan, 60, of Travelers Rest, passed away suddenly on September 27th, 2021, at MUSC in Charleston. Though we do not know the exact cause of death at the time of this writing, Mariellen had a chronic illness (Lupus Nephritis) for more than thirty years.

Born in Cleveland, Ohio, Mariellen lived primarily in the Summit and Medina County (OH) area. She was the daughter of the late Paul Henry and Helen Citino Mining. She greatly enjoyed the many years the family spent at Point Retreat in Sandusky, OH, and all the many friends that she came to know there over twenty-six years. Mariellen previously resided in Houston and Austin, TX. She currently resided in Travelers Rest, SC.

Mariellen (a very patient woman) met her husband of 38 years, Michael, more than forty years ago. Throughout the years she supported his career by being patient with all the travel and being an amazing host for the many gatherings at their homes.

Mariellen's girls, Kait Fagan (Kyle Oliver) and Meg Fagan Mason (Bill Mason), were the love of her life. She delighted in her regular communications and staying involved in their lives. Nothing made her happier than the times spent with them. She deeply loved her son-in-law, Bill, and Kait's partner, Kyle.

Mariellen was a world traveler, and the family enjoyed many vacations spent together with their dear friends. Her passions were gardening and decorating. She delighted in “re-doing” any house that she ever lived in.

Although many years retired, Mariellen spent a career in Public Relations concentrating on motor sports. She enjoyed the many friends and colleagues that she met throughout her work life.

Private services will be held Friday, October 1st, at the Howze Mortuary in Travelers Rest, South Carolina. A celebration of Mariellen’s life will take place next spring with details to follow.

In lieu of flowers, should you desire, please contribute to your favorite charity or Friends of Camp Christopher at www.friendsofcampchristopher.org.

Mariellen lived her life by the simple rule of “Be Kind.”

“ Michael, Kait, Meg and family – Thinking of you all. I have many great memories of our families getting together on Christmas Eve and other holidays, and Mariellen will always be a big part of those memories. She was a special person, and I know she meant so much to you all. Also grateful that she managed to stay well connected with my Mom and Aunt through all these years.

“*Mariellen was one of my best friends, I've known her since grade school. We went to the same high school and were roommates freshman year in college. I have so many happy memories of our time spent together. She was a true friend in every sense of the word. Her and Michael raised two amazing girls. I was fortunate to see her and Michael this past 4th of July. I haven't seen them in years but it was just like no time had passed. I am truly sorry for Michael, Kaitlin , and Meghan. My prayers for the comforting hand of God in this sorrowful time. Mariellen, my friend you will be missed.*

It was the saddest news to hear of Mariellen's passing. Our deepest condolences. Mariellen was a truly a shining light for all of us in the extended Citino family. Delightful, personable, energetic, funny, caring, wise... a true superstar in all of our shared lives. Growing up as an only child fit her well apparently in that she was an intimate in all of our families, not just your own. Rest in peace, Mariellen.
