“ *Mark, I enjoyed working with you and sharing memories with each other about Maryland, mainly about Old Bay and delicious crabs. You were great to work with and even more fun to joke around with. You spoke so proudly of your family and fondly of your riding. I will keep you, your family, and your friends in my thoughts. Rest in peace.*

“ Sharon, Andrew and David...my condolences go out to you. You will learn every day the value that Mark added to your lives through this loss. And you will also learn the grace from God that is greater than any loss that we can experience in this life. I will miss meeting Mark for lunch or riding Swamp Rabbit Trail on bikes. Most of all I will miss talking through race car builds and motorcycle projects with Mark. Know that you all are being prayed for every day as we move forward. Mark is not looking back as he is in the presence of Jesus, and he looks forward to the day that we will join him...as we will if we have put our faith in Jesus. Joe and Barbara.

“ Our hearts go out to every generation of the Bellino family... Mark was known to me from early childhood and as I told his mom and dad, always the one to push the envelope and laugh and make everyone around him laugh as well. The greatest blessing is his love for Jesus and the hope of resurrection and being reunited with him in heaven that that love brings. Words cannot adequately express our sorrow over your loss and the loss to friends and coworkers. People like Mark are becoming increasingly difficult to find and I am humbled and privileged to have called him friend! Deepest condolences from the Butler Family, Rose, Bob, Erik, Kristin, Krystal and Korina (Smith)

“ Mark and I met thru work in 2006. We both had a passion for motorcycles and did several track days together (Barber, Road Atlanta, and CMP). We kept in touch thru the years after he went to GE. He was a great friend and will be missed. My prayers go out to his wife, sons and family. May you rest in peace and I will see you again.

“ Dear Sharon, Andrew and David,

We are sending you prayers for strength after the loss of your husband and father so suddenly. It's just devastating. He seemed to be a man who thoroughly enjoyed life and I know loved living it with you. You are in our hearts during this difficult time. Love, Lani and Jay Luedde

“ Mark,
It's hard to believe you're gone. We worked side by side at GE, but you were so much more than just a coworker — you were a friend, a teammate, someone I respected deeply.

You had a calm strength about you, a quiet way of getting things done, and a sense of humor that made the tough days easier. Whether it was solving problems under pressure or just sharing a quick chat over coffee, you made an impact — on the work, and on the people around you.

I'll always remember your dedication, your kindness, and your steady presence. It was a privilege to know you and to work alongside you.

Rest in peace, Mark. You'll be missed more than words .

“ Sharon, Andrew, and David...

I am at a loss for words. I had to read the text several times to make sure I read it right. I'm so sorry for your loss. Allison and I only got to know Mark for a short time but three things were evident. 1-he loved to have fun! 2- he loved Jesus. 3-he loved y'all! Our loss here is heavens gain. We are here if you need anything! Love y'all!
