“ Rest in peace daddy, i love you more than words can begin to describe and i miss you so much it hurts.. its this horrible heartache that will never go away... i would give anything to have you here with us still... you did so much, you took care of me and douglas, and granny, you always made sure granny was taken care of... you held everything together, and i didnt realize everything that you did until you were gone... i just never thought i would lose you, it was never an option... im sorry for everythinng daddy, for anytime i took you for granted or when i didnt listen to you about stuff, cause you were right, always were.... if only i had listened... i didnt get to say goodbye, or anything... you were here one minute and the next... gone.... i just hope you know that i love you with all my heart and that im so sorry daddy... but i will see you again one day, so fly high my angel...

i was my daddys angel... now my daddys my angel..
