“ I was the little girl who lived across the street from Mark. I always loved going over to his house and visit with him. He got to attend J.L. Mann high school which is the very school I just knew I would get to attend also. However, Greenville County had other plans and rezoned our area. 12 years younger than Mark, I always looked up to him and remember that constant smile he kept on his face. My mother who resides on East Circle Ave. after all this time shared the sad news with me of Mark's passing. I loved him like a big brother. Keep on smiling Mark.

“ Maxine,

*Sean and I want to express our deepest sympathy. We just saw Mark a couple of weeks ago, and he had that big grin, that laugh and smile that he always did. Whenever he walked into a place and grinned, it just put me in a happy mood.*

*Mark was a good friend and he loved racing and working in the garden. He will be missed.*

*Our thoughts and prayers are with you, his mother, and family.*

*Love*
