“ Travis I am sitting on the patio at the beach where Marlene and I shared so much time talking about our kids and God and all things important to us and just some things to make us laugh. The weeks we spent here together meant so much to me it is just not the same. I talk to her in the heavens but there is an empty chair across from me and I try my best to hear her voice. Just like you, Travis, she is much, much more than a friend! I love you like I love her and I will be here for you as long as I remain on earth. I love you and Rita and Marlene forever. Love Susan O

“ *Marlene was a wonderful lady, she saw the "good" in each person, was a very giving lady who will be missed by all who knew her. Heaven has gained and we are saddened, God bless each family member and comfort all who knew her.*
