“ Mary and I wish to express condolences to Billie and family over the loss of their husband and father Marshall. Nineteen years ago, a Yankee family from western New York moved into their Ocean Lakes neighborhood. Instead of being told, "there goes the neighborhood", we were taken in as neighbors by Billie and Marshall. Neighbors became friends and friends became family. We were blessed to share family, food, rummy games and many laughs over the years. I will miss your conversations and advice, both face to face and over the phone. In their place, I have memories that will last my lifetime and will be thought of with a smile. Thank you for welcoming us to your life. May the Good Lord enjoy you in Heaven as we have on earth. Bless you, Billie and all of your family, Bill and Mary Crowell and family

“ Barry (and Family),

Joe and I were sorry to hear about your dad. I have not seen your dad in many years but am reminded of the friendship our families shared, along with the Whitfields, growing up. I don't know if you got your "strange sense of humor" from your dad, but I hope it gets you through this time, along with the Lord putting His arms around you. If we can do anything to help, please let us know.

Love in Christ,

“ *Marshall and Billie Ann and kids were more than cousins to us... they were our best friends growing up. Some of my favorite memories were on the weekends they would come and the adults would play Pinnocle and the kids would watch tv sleep and the adults would still be playing. Listening to the hunting "tales" of my daddy and Marshall. Marshall was like a brother to my daddy., they were best friends. He was always smiling and laughing. He loved his kids, family unconditionally. He was a very special man and I loved him so much. He made my world so much more special. My love to the family. I know the heartbreak you are enduring and I will be praying for you all.*

“ *Tony's Dad, my father in law for 45 years, and Jodah's grandfather left us Sunday, ironically around the time preaching would be just about over. We all learned different things from this sweet man. He loved his family unconditionally. But, he adored his wife, Tony's Mom, my mother in law and Jodah's Grandmother. They had the kind of marriage you read about. Except for Masons and hunting, they did everything together. Such a love story. Vince Gill could have written "If you want to see how true love should be, then just look at us" about those two. Love and prayers for our Mom, our brother(s), And sister(s) And everyone else papa loved.*
