“ Michael and Mark, I'm remembering your sweet mother, Martha, at our many Friddle family reunions back in the day. I'm sending our love to you and your whole family on the loss of a dear person and only wish we could have seen her more in later years. These photos are just terrific! She was always so beautiful. I remember a lot of laughter and joking whenever the family was together.

My mother, Martha's first cousin Erma (Aunt Lura's daughter) is especially sad to have learned about her passing. Please keep sharing those photos—they bring back so many memories. Sending our love and condolences, Erma Kennemore Waldrep McGinnis with her daughters, Susan and Carol

Thank you so much. It's been a long time. I miss mom very much, but no one here on earth lives forever. She is with Jesus now, with a new body. As selfish as I am, I wouldn't bring her back for anything. I am happy for her. But nevertheless she is missed. Thank you 😊

“ Oh how I hated hearing the news of my Aunt Martha’s passing. Very very special to me and wonderful memories growing up visit the Harris family as a child. I love you Michael and will be keeping you all in my thoughts and prayers. I’m so thankful I kept a few of my messages and I have one from my dear aunt. She even mentions the biscuit eating contest we would have. RIP Aunt Martha. Love you!

“ Precious memories of the Harris family, my neighbors many years ago...Mike, Charles, and Mark were playmates of Beth and Chris. I also have great memories of meeting Martha at the backyard clothesline on Monday mornings to share about Sunday church services, as well as our weekends! Martha was an excellent seamstress, devoted wife, mother, and friend. I am grateful that she was in my life.

I am so happy Miss Jean stopped for a while and visited with mom the other day. Mom told me she really enjoyed seeing and talking.

“ I will miss seeing Martha at River Falls during my visits with my Mama. Her constant cheerfulness and sweet spirit were truly uplifting. She brightened my days on many occasions, and it was a privilege and honor to have known her.

Thank you, mom seemed to be able to make the best out of whatever situation she encountered. Mom was loving and never met a stranger. Thank you for your kind words.
