“ Dear Chris and family, Know that you all are in my thoughts an prayers. I'm sure going to miss my telephone buddy. Brother Marvin would called to see how I was doing and to let me know if Bethany was having a revival or if the girls would be singing somewhere close so I could go and here them. But he is so much better off where he is right now and in no pain and seeing his Precious Lord that he loved and talked about so much. I'm so thankful the Lord allowed our paths to cross here on earth, and when we all get to Heaven we'll never have to say good'bye. I know the pain that's in your heart, but Chris and girls know that you all were your husband and dad's heart. He was so very proud of his family and it showed. If you need anything I'm just a phone call away. I love you all so very much. Susan Pittman

“ Chris and family, my heart and prayers are with all of you. I believe with all my heart that Brother Marvin Met the MASTER the moment he took that last breath. He's breathing fine now with no health issues at all. " TO BE ABSENT FROM THE BODY IS TO BE PRESENT WITH THE LORD". GOD cannot lie. I am only one phone call away if needed and my prayer is that GOD will hold all of you close enough to feel HIS heartbeat until you're able to stand again.

With Love In CHRIST,

“ *Uncle Marvin, lived life full of love and would always be the first to tell you how good God was to him and his family. He will be greatly missed to say the least, but we must remember he is no stranger where he has gone, for he has only gone home. Our Prayers will be with the Hudson Family,

“ I can not put into words what an amazing man you were, A Godly man who loved The Lord, loved and protected your church, a Vietnam Veteran that loved your Country and served it well, you were a hero, you were a friend to many and the greatest Daddy to three wonderful daughters, you encourage them and supported them made them proud to be your children, a wonderful husband who I always saw laughing and joking with your sweetheart. You were a greeter, always welcoming all that came to your home, you never met a stranger. You took many under your wings and treated them as family, I was one of many and I am honored and proud to have known you and to call you Pa. You were a man to be respected and forever you will be. I will miss you dearly and thank you for being in my life. I love you Pa.
