“ He will be missed. He was so helpful to me when I moved to Easley from Rhode Island. He always was there to help me through the adjustment time, and through out our entire high school career. He was a good guy.

“ May God Bless Bruce and his family. Bruce was the first person I met when I moved to Easley from Rhode Island in 1960. He was so nice and always went out of his way to help me get used to a new school. He will be missed.

“ Bruce was my friend. We grew up together. When we talk we
always talked about the good time and the bad times, friends and
family. You never forget friendships. He will be missed. He might be
gone , but I will always have the memories.

“ *It is very sad to learn that Bruce is no longer with us. We were good friends throughout high school and beyond. We had lost contact with each other until the last couple of years when we reconnected. We had a good time talking. Although he had developed some health issues; he still had his humor. I can't think of anyone that did not like Bruce. He will be missed by his friends and family. Gary Hinton*
