“ *We were so sorry to hear of Mary Jo's passing. She was always a sweet lady. When we were able to visit, she wanted to hear all about "you" and what was going on in "your" life. Such a caring and upbeat personality. Our prayers are with the family in your sorrow and we know she will be so missed in your lives.*

“ Oh my goodness ! I remember the first day I styled Mary jo’s hair. She had the most beautiful snow shut hair. She knew how to keep It looking great for a week, always looked “just set “
I’m so thankful to have known Mary Jo for over 6 years, as her stylist and friend. She was amazing, such a young mother and wife, so wise and full of great advice. She shares many memories of her days with her kids growing up. She helped me become closer to Jesus and shared her stories of going to church with her 5 children ! That is not an easy task getting there..... I will always value our time together and what she taught me. She was a fabulous woman who brought joy and laughter to many.
I will truly miss her. Now she is with Arnold again

“ Mary Jo was so upbeat and positive. The joy of the Lord was very evident in her countenance. She had a memory like a steel trap and was genuinely interested in getting to know those around her. I will miss this lovely lady until we meet again in heaven.
