“ I was blessed to have the Wojeck family as a large part of my formative years and spent many happy days out on Marked Beech Road. Your mother was always an Angel in my eyes. She visited when my parents passed and it meant more to me than words could express. God Bless You, Mrs. Wojeck.

“ I sure will miss May Wojeck. She always helped me by telling me about the family history. She was able to remember and tell me where my Great Grandfather David Moses had his apple orchard, kept his livestock and how they stored their food with no electricity. I will always cherish the stories and try to pass them along every chance I can. I loved talking to her. Her memory was so good. May Wojeck was the last person I could talk who lived in the old home place after my Grandmother Helen Godwin and Grant Aunt Mayme Moses passed away.
