“ Dear Family,

The world is a little darker but Heaven is a little brighter with the passing of your loved one. God chose her for your family. She was born to be a help mate for a Pastor, loving mother and grandmother.

Pearl knew her Master and the Bible. When she was teaching in Sunday School you could stay all day and listen while she spoke from her heart. She had a servant's heart. One day when she had recovered from another illness, my friend Doris Puckett and I took her to lunch and when we took her home, Doris looked at me and said " I feel like I have been in the presence of an Angel".

That's the way we felt every time we were with Pearl. Oh, how I wish I could be at her service today but I will be there in my heart. My prayers will be with all of you. She was a Godly wife, mother, grandmother and mother-in-law.

Warren, only God knows the loss you feel. You know she is with her Lord but your heart is empty.

Much love and prayers.

“ A smile came over my face when I read of your Mom's passing, but it was a smile of pleasant memories that I have of her. She treated me like another one of her boys, which, at the time seemed like a lot of "extra family" since there were so many guys around at the Hillcrest homeplace. We will keep you in our prayers during this time. Call me if you guys need anything. 864 270-0322 Keith & Susie Snyder##imported-begin##Keith & Susie Snyder##imported-end##

“ Warren and family.

You and your family are in our thoughts and prayers. When reading of Pearl's passing this morning, "I'm Shouting Hallelujah and Singing Praise The Lord" immediately came to mind and a warm remembrance to my heart. With our most heartfelt sympathies.
